CORTEK URBAN BACKPACK
CORTEK URBAN

DESCRIPTION

Cortek Urban is the city backpack of the new Cortek range. At a more competitive price and in a very contained outdoor space, it is able to offer all this: a 28cm wide laptop pocket, additional external pocket, upper hook and handle on the back, USB socket, padded shoulder straps, ... Given the high versatility it can also be used in non-urban contexts. It is now available in gray coloring.
