**SPEAKERS BLUETOOTH WATERPROOF OVBOOST EVERYWHER**  
**EVERYWHERE**

DESCRIPTION

The Speaker OvBoost EveryWhere is an IPX6 certified waterproof portable speaker.

The communication is Bluetooth 4.0 CSR.

The design, the rubber coating and the high-quality construction materials make this speaker a unique product.

All the features are at the top: the 1200mAh battery that guarantees an operation of over 8 hours, the built-in microphone, the practical LED flashlight activated by a button, the hook to hang it, the stand to support it.

A speaker that can be used anywhere: on the beach, in the shower.
