DESCRIPTION

The Gammec XForce is a backlit gaming keyboard.

The keyboard is optimized for anti-ghost.

The Gaming structure of the XForce is guaranteed by:

Backlight in 3 colors and Logo and Laser Graphics.

Keys with soft and precise typing and with a 23 mm high space bar (compared to a standard 13 mm keyboard).

Stability ensured by the wide base (keyboard dim = 47.00cm x 19.50cm) and a net weight of 610grams.
